

RESPOND TO THE A5036 ROAD CONSULTATION NOW! SPREAD THIS MESSAGE TO ALL YOUR NEIGHBOURS FAST

People living on or near to Rimrose Valley need to reply
to the Highways England plans BEFORE Feb 27th

If you ARE online:

1. **Join** the SCAR Rimrose Valley residents campaign for info - go to: <http://tinyurl.com/scar-join>
2. **Read** the CONSULTATION document on the home page of the SCAR website <http://scar.network>
3. **If you want to write a short response** use the email A5036portofliverpool@highwaysengland.co.uk
4. **If you want to make a detailed response** fill-in this form: download link: <https://is.gd/optBresponse>

If you are NOT online:

1. **Ask a neighbour or family to help** so you can get to read the CONSULTATION document
2. **Phone 0151-558-0575** and follow instructions to say what you think – SCAR will transcribe and send it
3. **OR just write a simple note before Feb 20** and send to FREEPOST A5036 Highways England (no stamp)

Please don't delay – read the consultation document now and respond using one of the above methods. Look out for neighbours who don't know about the road plans. This is the last chance to respond. The traffic predicted once the new Seaforth dock becomes fully operational amounts to about 525,000 extra HGVs per year on top of the current chaos.
